

International Learning Center Film Series presents

CROSSING MIDNIGHT

Human Rights in Eastern Burma

Over fifty years of civil war in Burma has displaced hundreds of thousands of people. They have fled their homes, hidden for safety and faced forced relocation. Those people who are living along the border and in the interior of the ethnic nationalities' area of Burma are severely affected. *Crossing Midnight* is an award-winning documentary that has been screened across the US and internationally and continues to educate people about the dire situation in Burma.

Friday, October 21, 7:00 pm

International Learning Center
639 N. 25th St. (at Wisconsin Ave.)

lower level of United Methodist Church
